Annual Report 2019. Activity of Central Office of Measures and Regional Units

Published by: Kamila Szulc

The celebration of the GUM's centenary, the reform of the Regional Units, the entry into force of new definitions of basic SI units and new UE projects are the most important thematic areas of the latest report, made available by GUM.

The annual report is an annual report on the activities of the Central Office of Measures, it includes information summarizing the annual statutory activities of the Office, including the most important events and project implementation.

Report available in electronic form and pdf version.

The publication was prepared by the Strategy and Scientific Metrology Division.

We cordially invite you to read.
